

HPK SWIM CLUB NEWSLETTER TERM 2 2016

Club Night (5th May– 7th July):

Goodbye summer, hello winter. Yes, the start of another swimming year is upon us already, as well as the start of (a hopefully, not too cold or wet) winter.

All registrations for the new season should have been sent in, remember you won't need to register again until March 2017.

It is great to see so many new faces joining the club; lanes are now almost full so we will soon need to start a waiting list for those wanting to join the Club. Because spaces are limited if you decide to longer swim or are moving out of the area could you please let us know so we can fill the space.

For the next couple of weeks we will be re-assessing swimmers, so you may find it a little disruptive until we are happy with the lane structure, so please bear with us. It is necessary for swimmers to be in a lane with others of similar ability where they can cope as well as still progress. If this causes any problems please let us know.

Don't forget the Club also has competitive squads for those who might like to train more than once a week and enter some competitions. You can see me for more information.

PARENTS, PLEASE ENSURE YOU ARE AT THE POOL TO PICK UP SWIMMER'S BY 8.50pm.

With winter approaching we don't want swimmers waiting outside after 9pm, we would prefer swimmers wait inside the pool complex.

Tuesday Race Nights (10th May, 24th May, 7th June, 21st June, 5th July):

Race nights commence again on Tuesday, 10th May at 7.00pm and will be held every fortnight thereafter.

These nights give swimmers great race practice and are invaluable for learning what is required in order to compete. The focus for race night is on improving your own times and having fun.

We would like to thank parents for their help with timekeeping and other official duties, without you these nights wouldn't be a success.

A race night calendar is included with this notice.

Club Gear

Just a note to remind swimmer's that Club togs, caps, polos/t-shirts/singlets, shorts/trackpants, hooded sweatshirts, puffa jackets/vests, and long coats are available for purchase at reasonable rates. See club website or Vicki for details

Club Website

Don't forget to check out the club website www.hpkswimclub.org.nz . The site contains a wealth of information including the latest news, meet calendar, contact information as well as a database containing all our swimmers race results. It's well worth having a look at.

HPK Swim Club would like to congratulate Corey Main who will representing New Zealand at the Rio Olympics, we look forward to seeing him in action.

If you have any questions or problems please come and talk to me on Club night or Race night.
Enjoy your swimming this term.
